

Entrance, Placement, and Transfer

Entrance, Date, and Age

The trustees will enroll a child in kindergarten or in first grade whose fifth (5<sup>th</sup>) or sixth (6<sup>th</sup>) birthday occurs on or before the tenth (10<sup>th</sup>) day of September of the school year in which the child is to enroll. The District requires proof of identity and an immunization record for every child to be admitted to District schools.

School Entrance

1. The District requires that a student’s parents, legal guardian, or legal custodian present proof of identity of the child<sup>1</sup> to the school within forty (40) days of enrollment, as well as proof of residence in the District. Students who are not residents of the District may apply for admission pursuant to Policy 3141. Homeless students shall be admitted pursuant to state and federal law, and Policy 3125.
2. To be admitted to District schools, in accordance with the Montana Immunization Law, a child must have been immunized against varicella, diphtheria, pertussis, tetanus, poliomyelitis, rubella, mumps, and measles in the manner and with immunizing agents approved by the department. Immunizations may not be required if a child qualifies for conditional attendance or an exemption is filed as provided by Montana law.

Placement

The District goal is to place students at levels and in settings that will increase the probability of student success. Developmental testing, together with other relevant criteria, including but not limited to health, maturity, emotional stability, and developmental disabilities, may be considered in the placement of all students. Final disposition of all placement decisions rests with the principal, subject to review by the Board Designee or the Board.
