

Student Dress

The District recognizes that a student's choice of dress and grooming habits demonstrate personal style and preference. The District has the responsibility to ensure proper and appropriate conditions for learning, along with protecting the health and safety of its student body. Even though the schools will allow a wide variety of clothing styles, dress and grooming must not materially or substantially disrupt the educational process of the school or create a health or safety hazard for students, staff, or others.

Building administrators shall establish procedures for the monitoring of student dress and grooming in school or while engaging in extracurricular activities. Specific regulations shall be published annually in student handbooks.
